

JOIN US FOR FUN AT VALVERDE COMMONS

We may be an adult cohousing community but that doesn't mean we can't act like a bunch of kids. Here we are at our weekly Zumba class taught by one of our new members, Laura Sierra. Our common house is seeing lots of action this spring and we want to invite you to visit us and sample our meetings, potlucks, classes, parties, concerts — all the activities we have planned. There's lots on tap in the town of Taos too as we roll into summer. Here's a handy calendar featuring events March through July to help you plan a visit. See you!
